The state returning board completed Wednesday afternoon the official count of the Second Congressional district, showing that Congressman Walter R. Stinson defeated Luigi DePasquale, his democratic opponent by 14,797 votes. The board's count gave Stinson 32,801 votes against 19,004 for DePasquale. Stinson gained 212 votes and DePasquale made a gain of 151 votes, the net gain for Stinson being 61 votes.

Abraham P. Dutton, republican, was elected senator from Westerly, defeating Truman D. Babcock, democrat, by 1152 votes. Mr. Dutton received 1915 votes and Mr. Babcock 662 votes. Joseph T. Murphy, republican, elected representative from the First Assembly district of that town over Frank G. Booth, democrat, by a vote of 225 to 223, the former

the tidal wave, giving the town a republican assembly delegation for the first time in several years. Samuel L. Robinson defeated Senator Ray P. Littlefield by a plurality of 502 votes. The official vote is: Robinson, 1238; Littlefield, 729. Pop representative, Edward L. Coman won over John B. Eldred by 385 votes. Mr. Coman received 1172 votes to 787 for Mr. Eldred. Mr. Robinson gained one vote and Mr. Coman two votes by the board's count.

It is considered a certainty now that the trial of Charles Bailey charged with the murder of his brother, Edgar T. Bailey, will begin next week. Monday when the superior court for Washington county, Judge Sumner, reconvenes at Westerly, from adjournment Wednesday afternoon, Attorney A. T. L. Ledwidge, who has been assigned as counsel for the accused, did not try any of the cases in which he was interested at this week's session of the court, the cases being placed at the foot of the docket, in order to give the attorney opportunity to prepare for the defense. The ground of defense has not been made known, but it is believed that Mr. Ledwidge will endeavor to show that the shooting was accidental.

Just who the witnesses for the prosecution will be has not been announced, but it is said that Dr. Harry Lee, the surgeon who performed the operation at the New London hospital, and Dr. Henry

Hoyer, medical examiner at New London who signed the death certificate will be summoned, as will also Coroner Ferguson and Medical Examiner Scanlon of Westerly, also several police officers. It is expected that not more than three or four days will be consumed in the trial of the case.

seen a movie and the pictures aroused his curiosity strangely but he lacked the necessary price.

By the time he turned away from the last picture, the street lights were gleaming brightly through the mist and Lucian for the first time realized that he was miles from home and hungry. He began to look about him for a place to spend the night and was directed to George H. Hartwell, Jr., clerk of the overseers of the poor. Mr. Hartwell learned that the young man had never been away from home before and had determined to satisfy his longing to see things by journeying afoot to Southbridge. He also learned that the boy was without funds and supper and in need of a night's lodging.

Mr. Hartwell directed the lad to a nearby cafe where he found a meal awaiting him and on his return to the store he found an admission ticket to the motion pictures waiting for him. He attended and enjoyed the performance thoroughly. After the theatre, he was directed to police headquarters where he was cordially greeted by Night Desk Officer Andrew M. Higgins, who assigned him to the Blue Room. After eating a good breakfast this morning, Lucian followed the long trail for home satisfied that he came and saw even though he did not conquer.

"I've wanted to see something of the world for along time," he told the Telegram representative just before leaving for home. "I've often asked my uncle to take me with him to Southbridge or Putnam and when he wouldn't I made up

my mind to start out myself. That Mr. Hartwell is a pretty nice man and they treated me fine at the police station, too. The cats at the restaurant were good, but the motion pictures, that was the best of all. I've always wanted to see them but didn't expect to when I left home. I guess maybe I'll come in again some time when I get the chance for I saw a whole lot and it was worth walking 25 miles to see. I don't know what they'll say when I get home, but goah, I don't care for I've had a fine time."

A picture of snow and rain fell all through Thanksgiving day in this city, spoiling the holiday for outdoor ventures. There were many happy family reunions, however, and many private and public social gatherings to make the holiday a pleasant one. The theatres were well patronized and a dance also attracted many.

A cable box into which 200 pairs of wires run will have to be repaired on School street as the result of its catching fire from electric current believed to have been transmitted from some high tension line. The fire was extinguished by Ralph Thurston and Charles T. Thayer of the fire department, using an extingisher.

Wilbur Low spent the holiday with his parents, Mr. and Mrs. A. D. Low. Miss Alice Adams of the Baptist Institute at Springfield is spending the holiday recess at her home in Putnam.

Today and Saturday will also be holidays for employees of some plants that have suspended manufacturing operations until the first of the week. Next Monday will be a day of resumption of work, however, in some plants in this territory that have been idle for two weeks or longer.

Mrs. Ida G. Kennedy spent Thanksgiving with her brother, F. G. Greenblatt of Pawtucket.

Attorney Mrs. Irvine Miron leave this (Friday) morning for Washington D. C. where they are to spend the winter.

George E. Shaw spent the holiday with his brother, Edward Shaw of Providence.

assembly was in attendance at both weddings.

At the junction of Mechanic street and the Providence Pike, cars owned by Fred A. Munyan of Thompson and E. E. Laitlin of North Attleboro, Mass., collided Thursday morning. Mr. Laitlin was coming from the direction of Providence and Mr. Munyan with four passengers was going toward Thompson. Mr. Munyan misjudged the distance between the approaching car and his own and attempted to bear off to the left ahead of the other car. Both cars were going slowly, not more than fifteen miles an hour. None of the occupants of the cars were badly injured. Mr. Munyan had as passengers his wife, Mr. and Mrs. Ears Munyan and their child. Mrs. Fred Munyan and the child were thrown out and received bruises and scalp wounds. Dr. Overbeck who attended them stated that the wounds were not serious.

Mrs. C. Russell Bowen will leave the first of next week for Jacksonville, Florida, where she is to spend the winter.

and Bennett, one day and son of Mrs. and Mrs. Merrill Bennett of Bridge street die at the Day Kimball hospital early Wednesday morning.

Thomas Mays of North Greenfield, who was brought to the Day Kimball hospital Wednesday suffering from a bullet wound in his head is making progress. By means of the x-ray, the bullet was located in the boy's head. As it is not in a location where it will do any harm it will not be extracted.

At the Union Thanksgiving service held in the Congregational church Thursday morning over seventy-five were present. Rev. Boynton Merrill of the Congregational church delivered a short address.

New Britain.—In making a raid for illicit liquor selling in New Britain, the police believe they have also run down a gang of thieves who have been systematically raiding the big factories. A half dozen arrests were made.

Nervous Breakdown

"I am so nervous it seems as though I should fly"—"My nerves are all on edge"—"I wish I were dead." How often have we heard these expressions or others quite as extravagant from some loved one who has been brought to this state by some female trouble which has slowly developed until the nerves can no longer stand up under it. No woman should allow herself to drift into this condition without giving that good old-fashioned root and herb remedy Lydia E. Pinkham's Vegetable Compound a trial.

Read the Letters of These Two Women.

North East, Md.—"I was in ill health four or five years and doctored with one doctor after another but none helped me. I was irregular and had such terrible pain in my back, lower part of my body and down each side that I had to go to bed three or four days every month. I was very nervous, tired, could not sleep and could not eat without getting sick. A friend asked me to take Lydia E. Pinkham's Vegetable Compound and I am sorry I did not take it sooner for it has helped me wonderfully. I don't have to go to bed with the pain, can eat without being sick and have more strength. I recommend your medicine and you are at liberty to publish my testimonial."

ELIZABETH WEAVER, R. R. 2, North East, Md.

Minneapolis, Minn.—"I was run down and nervous, could not rest at night and was more tired in the morning than when I went to bed. I have two children, the youngest three months old and it was drudgery to care for them as I felt so irritable and generally worn out. From lack of rest and appetite my baby did not get enough nourishment from my milk so I started to give him two bottle feedings a day. After taking three bottles of Lydia E. Pinkham's Vegetable Compound I felt like a new woman, full of life and energy. It is a pleasure to care for my children, and I am very happy with them and feel fine. I nurse my baby exclusively again, and can't say too much for your medicine."

PRICE REVISION

Fully recognizing the just and urgent demand for lower prices, we are making every effort to revise our prices downward. To do this we have cut our margin of profit to barely enough to pay rent and clerks' salaries, because the manufacturers' prices in many cases are still going up—very few are lower. You will find that our prices are much the lowest in the City, and that our store is the pleasantest to shop in—and our clerks are polite and interested.
